

BruLock™ II

Interlocking Carpet Tiles

SoftCarpet™ Interlocking Floor Tiles

Interlocking carpet textured foam mats for trade show exhibits and more.

BruLock II interlocking foam mats, with a carpet texture, are a very cost-effective and convenient solution for trade show flooring, events and other uses.

- Comfortable and economical
- Wide variety of uses
- Fast and easy to install, dismantle and reposition
- Mix and match to easily create your own designs

BruLock II interlocking carpet tiles include a removable 1" straight edge.
