

EASYCLICK

Beautiful LVT Flooring with Super-Fast, Easy Installation

Easy Click flooring from Brumark makes it simple to install a beautiful luxury vinyl tile (LVT) floor that can be used over and over again! Unlike traditional click flooring, Easy Click has a unique four-sided (360-degree) locking system. This means the planks can be clicked together in any direction for faster, easier installation.

Easy Click is beautiful flooring made simple!

- Attractive LVT flooring in 6" x 36" x 5 mm planks
- Unique 360-degree locking system for fast, easy installation
- Highly reusable – durable high-impact polystyrene (HIPS) click frame
- Wear- and water-resistant heavy-duty polyurethane surface coating
- Environmentally friendly – 100% recyclable
- Great for heavy traffic and rolling loads
- Install in different patterns or mix styles
