

Chilewich Tiles With Biofelt™

Stylish, Eco-friendly And Convenient Exhibit Flooring

Chilewich Tiles are an easy and comfortable way to create a stylish, reusable exhibit floor! These woven vinyl tiles are eco-friendly and convenient to use. With the innovative BioFelt™ backing system, tiles can be installed with adhesives or with Velcro® Brand Book Squares that allow you to easily remove and reuse the tiles.

- 18" x 18" woven vinyl (Plynyl) tiles with BioFelt backing
